Tswelopele Tactical Risk Management (TTRM) is a leading integrated security solutions provider in Gauteng. Our solutions are trusted by both the private and public sectors.

Integrated Security Solutions

Access Control & Reporting | Electric Fencing & Booms | VIP Protection | Evictions & Relocations

Government Sector | Mining & Construction Sector | Private Sector

Our Mission

In short, TTRM aspires to be the best security company in South Africa.

Our mission is to provide effective and reliable security solutions to combat crime. Our approach is focussed on ensuring service excellence, integrity, and utilising fore-front technology and the best human capital in the industry; to offer our customers an experience and solution that will give them total peace of mind.

Why Choose TTRM

1

TTRM strives to make Africa a better place by using decades of skill from different sectors of the economy to supply a fully integrated risk management solution.

2

TTRM has a wealth of knowledge relating to various industries, business environments, and cultures.

3

TTRM is not just a "security company", but an expert in risk management. This is achieved through combining all factors to ensure a satisfactory service is provided.

4

TTRM can assist organisations with Professional Access Control & related Reporting, regardless of the scope.

5

TTRM values mutually beneficial relationships built on the foundation of trust, for the long haul.

6

TTRM offers visible security protection through deploying highly trained individuals, to ensure a safe environment for all staff and clientele, without being obtrusive.

7

TTRM's professional security officers are trained in every aspect of the security discipline, with a strong emphasis focussed on observation, visible guarding, and public relations.

Markets Protected

Markets Protected

Tswelopele Tactical Risk Management (TTRM) leads the following private and public markets in offering them integrated security solutions to protect their assets, properties, and the people who inhabit them.

These markets include but are not limited to:

♥ Public Sector

TTRM aims to create a safe environment for all public agencies, including but not limited to: Municipalities, cities, and National Government Departments. We provide Government and Public Sectors with specialised guarding services to facilitate safety and security standards, necessary to safeguard buildings, assets, and personnel.

♥ Business & Corporate Sector

The TTRM team specialises in the securing and safekeeping of commercial premises such as offices, factories, and laboratories. Our security services are tailor-made to each site and location.

♥ Retail Sector

The TTRM team is experienced in offering and maintaining outstanding customer service in retail settings, while meeting stringent security protocols and regulations.

♥ Financial Sector

We understand the need for security to be interwoven into the day-to-day operations of financial institutions. As a result, TTRM has the expertise to tailor safety and security measures into every aspect of a site's activities, structures, and response protocols.

♥ Manufacturing & Warehousing Sector

Security is an integral part of ensuring the integrity of a just-in-time (JIT) inventory management warehousing operation. The TTRM team provides access control, yard management, and tactical guarding security services to aid you in maintaining a thorough warehousing operation.

♥ Educational Sector

TTRM has the know-how and the manpower to set up security systems to protect the individuals who roam academic institutions, as well as the buildings and assets which aid them in their operations.

♥ Mining Sector

TTRM offers security solutions to support the mining sectors compliance and regulatory programs and operations.

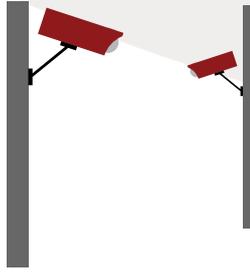

♥ Residential Sector

TTRM offers comprehensive Residential Complex and Golf Estate Security Solutions to ensure the safe-keeping and peace of mind for all residents; through reducing the risk of theft, break-ins, assaults, and other dangerous activities from taking place.

♥ Construction Sector

The TTRM team offers security solutions to work in conjunction with individuals, sites, properties, and equipment present on construction sites.

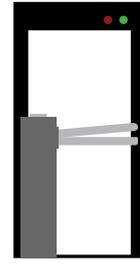

Integrated Security Solutions

HOME & ESTATE/COMPLEX SECURITY

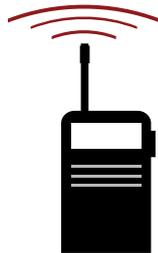

We help residents improve the security of their neighbourhoods by partnering with community members and police, allocating guards to patrol areas, and installing tamper-proof access control solutions.

We offer a comprehensive security solution to help with the day-to-day running of residential estates and office parks.

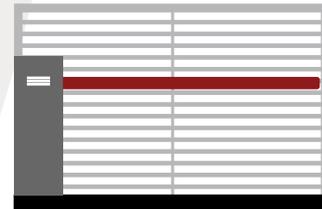

BUSINESS & INDUSTRIAL SECURITY

We provide customised physical security solutions to meet the specific needs of large and small organisations.

RETAIL SECURITY

Reduce the risk of crime in shopping centres by implementing site access control, through highly visible security officers and hi-tech systems.

INSTITUTIONAL SECURITY

TTRM provides safe environments for all patrons, learners, visitors, and faculties, from government schools to private schools, colleges, campuses, and universities.

SPECIAL EVENT SECURITY

Our ability to react reliably, professionally, and in an agile manner is at the core of what we offer our clients who seek event security solutions. We believe in averting incidents before they occur.

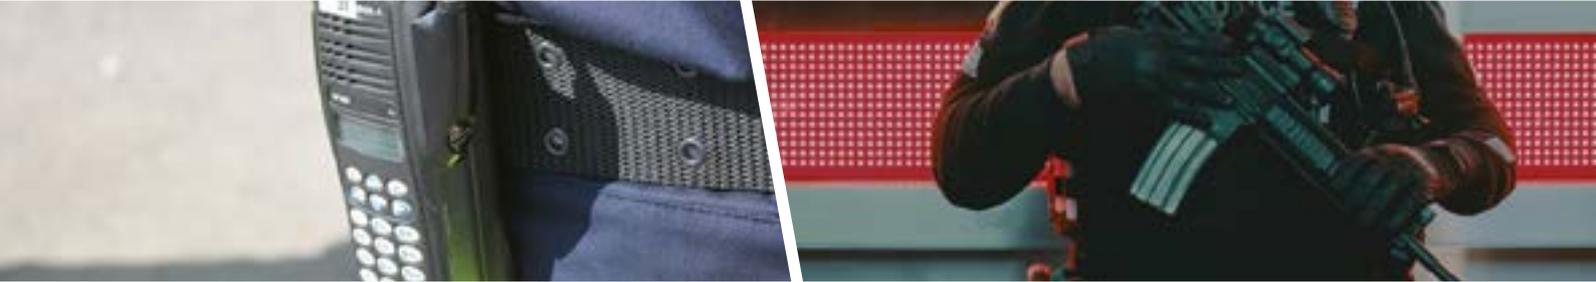

VIP PROTECTION SERVICES

Hire a security guard to protect your guests or keep an eye on things when you want some added protection at your home or office

Security Protection Services

ARMED REACTION

■ **24/7 Armed Guarding & Reaction:**

When you partner with TTRM, you will have a team of highly capable security specialists arriving at your doorstep in the event of an emergency, with the necessary armed reaction.

GUARDING

We provide our expert 24/7 guarding services to properties and individuals across a variety of sectors, including:

- Residential Guarding Services
- Shopping Centre Guarding Services
- Estate & Complex Security Guarding
- Business & Industrial Guarding Services
- School & Campus Guarding Services

MONITORING SYSTEMS & RESPONSE

■ **CCTV Cameras:**

The CCTV security camera systems we supply and install aid in keeping detailed and verified video records of people who enter and leave premises. Install real-time, remote-access, 24-hour security surveillance.

■ **Burglar Alarms & Monitoring Systems:**

TTRM has a solutions-driven technical team, fully qualified in supplying and installing alarm systems and other intruder detection and monitoring devices.

INTEGRATED RISK ASSESSMENT & MANAGEMENT SOLUTIONS

A comprehensive TTRM risk assessment always precedes an integrated and cost-effective recommendation to managing and minimising security risk.

The services that we offer are flexible and customised according to the unique risk and security need specific to clients.

ACCESS CONTROL & REPORTING

■ Building Access Control:

Obtain effortless, yet secure access through hi-tech control access instruments. There are various options available, ranging from physical guards granting access, or the use of guards administering biometric systems, intercoms, remote controls, vehicle license scanners, tear off slips, gate automation, and booms, etc.

■ Electric Fencing:

Encircle your home with state-of-the-art protection.

TRSS has secured many complexes and estates using a combination of products including free-standing electric fencing and wall top electric fencing.

■ Boom Gates:

We supply and install a range of boom gates that can adapt to your unique width, opening speed, and functionality requirements. Whether you want a basic low-cycle or fully programmable and advanced variable speed barrier, we've got you covered.

**AT TTRM WE PROVIDE SECURITY SOLUTIONS WHICH
CATER TO YOUR NEEDS AND SUIT YOUR BUDGET!**

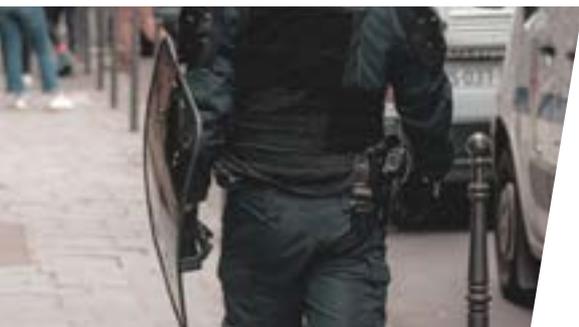

GOVERNMENT, CORPORATE & PRIVATE VIP PROTECTION SERVICES

Our Tactical Task Team is trained to deal with dangerous situations.

We present a highly visibility profile, with marked patrol vehicles and professional uniforms, which in and of themselves are a deterrent.

Our team has the capability to attentively protect individuals in important positions with a personalised service. This is attributed to the fact that our Close Protection Officers (CPO's) are registered and qualified according to the Private Security Regulating Authority (PSIRA) prescribed grading system. They have passed extensive background checks conducted to verify citizenship, criminal record status, and qualification validity.

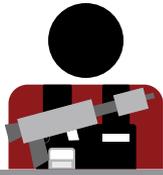

Our VIP Protection Services are offered to individuals in Government, Celebrities, Athletes, Influential Organisations, and Private individuals.

Our goal is to keep our clients safe from unwanted attention and physical harm. Clients are made the top priority and we commit to the responsibility of personally and physically protecting our clients from any harm or danger, which could lead to dreadful situations.

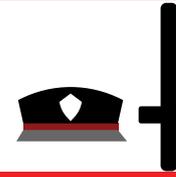

Additional Turnkey Solutions

ARMED ESCORT GUARDING SERVICES

Request an armed response officer to assist you in entering your premises safely.

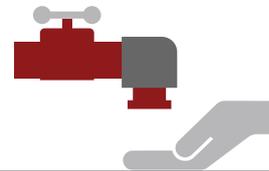

POLICE CLEARANCES FOR PRISA

TTRM specialises in the supply, delivery, and off-loading of various types of Firearms; to specific organisations, under strict and legal control measures regulated under the Firearms Act 1996 (as well as the new control amendments).

PRE-EMPLOYMENT SCREENING

We conduct comprehensive pre-employment checks and continuous, employee monitoring to ensure that we employ the right officers and monitor their integrity. Individuals are hired solely upon merit, and we consider a variety of factors, including skills and their ability to perform the job. TTRM guarantees to provide PSIRA trained registered, compliant, and remunerated staff members.

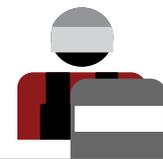

WATER & SANITATION

TTRM offers water & sanitation products and services, including freestanding Portable Chemical Toilets that operate without the use of cables, pipes, or connections to water or electricity; as well as water stands and big water tanks.

EVICCTIONS & RELOCATION SERVICES

We assist clients in executing eviction notices lawfully granted by courts to remove unlawfully occupied premises. We've acquired a reputation of being tough whilst remaining professional and sensitive to the matters at hand.

RIOT CONTROL

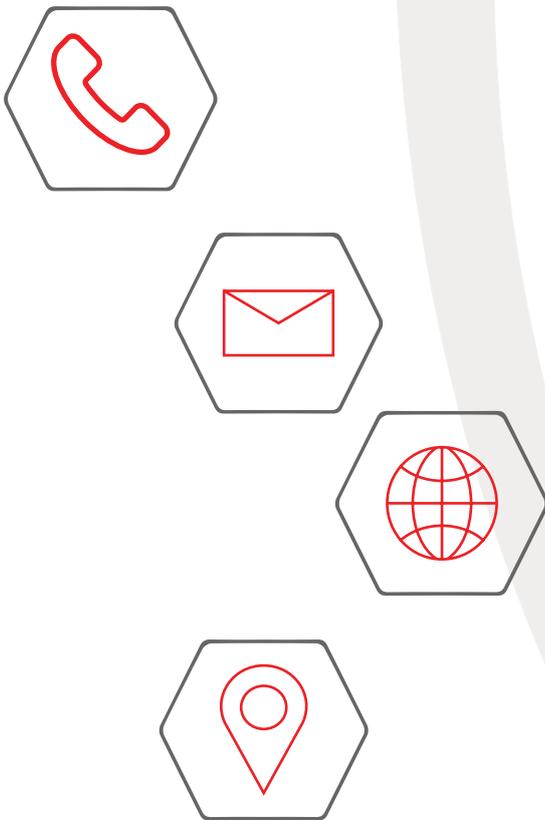

PROTOCOL & SAFE TRANSPORT SERVICES

DRUGS, EXPLOSIVES, & FIREARM DETECTION
